Heading from the Galle direction we are 1 km after Midigama on the A2 and it's a right turn into the village – look out for the Lion's Rest sign.

Airport transfers to and from Colombo Airport can be booked with us when you make your online reservation. Just add them as an extra on our booking system. Transfer time from Colombo Airport is approximately 2.5 hours via the newly opened Southern Expressway. The cost is \$100 USD each way (tolls included) for an a/c minibus. Surfboards up to 10ft can be carried. Please inform us if you will have surfboards with you.

The train from Colombo City is a 3 hour journey to Midigama or Weligama. It's the cheapest option but the taxi ride from the airport to Colombo train station can take one hour depending on traffic.
